

# AFIS Designation

## ABOUT THE AFIS DESIGNATION

The AFIS Designation is the foremost specialized designation for the specialist in agricultural and farm insurance. The designation showcases experts in their respective fields bringing a depth of education unparalleled in the industry.

**The Exam is mandatory only for those pursuing the AFIS Designation.**

## HOW TO OBTAIN THE AFIS DESIGNATION

There are three parts of the designation which can be taken in any order---AFIS 1, 2 and 3.

Participants must attend the course study for each of the AFIS parts. Each part consists of two days of classes and an exam administered at the end of the second day. After successful completion of all three exams, participants will earn the AFIS designation. Participants have five (5) years to take all three parts of the AFIS designation.
