

SEMINAR SPEAKER

Vicky L. Miller, C.B.S.

Coordinator, Illinois Procurement Technical Assistance Center, NW Region,
at Black Hawk College.

This presentation has the potential to save your institution's clients hundreds of hours of self-directed study. The seminar material efficiently covers essential information intended to assure that both your business and your customers survive the inevitable disasters that will affect our area, whether they be natural or man-made.

Contact Mary Johnson. Call 309-764-2194 or email johnsonma@bhc.edu.
Seating is limited.

A dramatic, dark storm cloud formation, possibly a supercell or the beginning of a tornado, dominates the sky. The clouds are dark and swirling, with a bright, golden light breaking through on the left side, suggesting a sunset or sunrise. The foreground shows a flat, open field with a line of trees in the distance.

Knowledge IS GOING TO MAKE YOU
STRONGER...KNOWLEDGE IS THE THING THAT MAKES YOU
SMILE IN THE FACE OF DISASTER.
